

Simpson Suit Recert Form

SFI 3.2A/15 & SFI 3.2A/20 Suits must be recertified every five (5) years to maintain SFI Certification. For example, if your device was certified in Januari 2019, it will require recertification by February 1, 2024.

Devices passing the inspection will receive a new SFI 3.2A/15 or 3.2A/SFI 20 Certification Tag and will remain valid for five (5) years.

See below for the cost of this service and instructions for recertification. Return shipment is not included, Level 4 require shipping to factory, cost for that shipping is not included.

Recertification Level
